WHERE DO YOU EAT?

AN IMPORTANT QUESTION.

Your health depends upon the right answer. This matter of food should be given more attention by each individual. It is true the government has passed

THE PURE FOOD LAW

but there is no law against dirty, ignorant cooks. "What do you eat" and "How is it prepared" are just as important. We answer these questions to the satisfaction of both your palate and health.

## GOOD TIMES COMING

Every indication points today to unusually prosperous times within the next year.—Oscar Underwood.

I have no doubt that business will revive speedily. Now that uncertainty is practically over, business will go ahead.—Champ Clark.

The fogs and mists, if there were any, are clearing away. I do not expect what is generally called a boom, but do look for steady business.—Jas. J. Hill.

I think the outlook for the year is very bright. I do not think the tariff will hamper business, but that the in-born application and genius of American business men will surmount all obstacles.—Andrew Carnegie.

Business men have adjusted themselves with remarkable rapidity to the new tariff rates. I expect soon to see all working people employed and business going ahead with great strides.—Andrew Carnegie.

Business men have adjusted themselves with remarkable rapidity to the new tariff rates. I expect soon to see all working people employed and business going ahead with great strides.—Representative Rainey of Illinois.

We are entering upon the biggest buying movement in the history of steel making. I look forward to a long spell of normal, sound prosperity for the whole country.—Vice President Pope of the Carnegie Steel Company.

I predict that before the election next fall there will be an awakening of the business interests that will put the croakers to shame, such a revival that the whole country will approve the action of this administration.—John W. Wamaker.

Money is easier and things in general are looking better since the coming of the new year. There are some good principles embodied in the currency bill. The greater elasticity of the currency is bound to prove a positive benefit and safeguard.—David B. Forgan, president of National City Bank of Chicago.

Fundamental business conditions in this country are good today and serve

## as an index of the future. The present situation bulks large with reassurances. In this respect we have a great advantage over Europe, where as yet business and trade have not recovered from the extended war.—John V. Farwell.

I am not expecting hard times or a long period of business depression, but am conservatively optimistic, believing there is being created a more substantial basis than previously existed for a large and stable development of our commerce and industries.—James S. Alexander, president National Bank of Commerce, of New York.

MAY CHANGE THE ROUTE FOR REACHING AURORA

George Reading, of the Reading Mercantile & Transportation Company, F. J. Sullivan, of the Nevada Copper Belt road, and others interested, are looking over the East Walker route to Aurora. These gentlemen went over the route the first of this week and it is reported that they are very favorably impressed with the road. In case this route is adopted for Aurora and Bodie freight at the station of Wilson, at the foot of the canyon. From there it will go by team over the old road to the southern camps, and this road can be made an excellent one at no great expense.—Yerington Times.

RIGHT OF REFERENDUM ABOUT TO BE TESTED

The next step in the fight of citizens of Wells to have a high school built at Elko county's expense, will be taken when Attorney Otto T. Williams will appear before the Nevada supreme court at Carson City and ask that a writ of mandamus be issued compelling the secretary of the state Board to file the referendum petition which he refused to do some time ago.

Committee on arrangements, J. P. Murphy, N. M. McCormick, H. H. Bergman.

CANTALOUPE TO BE GROWN BY CARLOAD

The Vegas valley will this summer make its first attempt to enter the markets of the country as a shipper of cantaloupes in quantity. For several years past cantaloupes have been raised in Vegas valley on a small, experimental scale, but not in sufficient quantities to make carload shipments possible.

Recovered From Lung Trouble—Now Insured

Insurance companies will not accept any one affected with Lung Trouble. When you know a man who has been afflicted and who later has been insured, such action means that the policy-holder must be in a very good state of health. Cases have been reported when Lung Trouble, after taking Eckman's Alternative, remedy for Throat and Lung Troubles, have successfully passed the medical test of insurance companies. Read this case:

237 Dean St., Brooklyn, N. Y.  
"Dear Sirs: About a year and a half ago my health rapidly failed until at the end of six months my weight had fallen to 120 pounds. I was troubled with night sweats, a severe cough and was very weak. About this time I consulted a physician, who told me my lungs were affected. Not satisfied I went to another doctor, who, after examining me, said that I was in the first stages of consumption. At this point I started to take Eckman's Alternative. The night sweats stopped almost immediately, my cough became hoarser and gradually disappeared. My weight is now 145 pounds and my physician has pronounced me perfectly sound—which, together with the fact that I have been accepted by two different insurance companies for insurance, makes me sure of my entire recovery by Eckman's Alternative."  
(Candidly: more on request.)

Eckman's Alternative has been proven by many years' test to be most efficacious in cases of severe throat and lung affections, bronchitis, bronchial asthma, stubborn colds and in upbuilding the system. Does not contain narcotics, poisons or habit-forming drugs. For sale by leading druggists. Write the Eckman Laboratory, Philadelphia, Pa. for booklet telling of recoveries and additional evidence.

And in accordance with law, and an order of the Board of Directors made on the 23d day of December, 1913, so many shares of capital stock of said stock as may be necessary, will be sold at public auction, at the office of the County Recorder, Room 200, Building, San Francisco, California, on Tuesday, the 24th day of March, 1914, at the hour of 2 o'clock P. M. of said day, to pay delinquent assessments thereon, together with costs of advertising and expenses of sale.
